

Biography

Eric J. Munson, Ph.D.

University of Kentucky

Eric Munson is currently the Patrick DeLuca Endowed Professor in Pharmaceutical Sciences at the University of Kentucky. He received his B.A. degree from Augustana College in Sioux Falls, South Dakota, in 1987. After studying one year in Munich, Germany, on a Fulbright Fellowship, he received his Ph.D. in 1993 from Texas A&M University, and was a postdoctoral fellow at the University of California, Berkeley in 1994. He was in the Chemistry Department at the University of Minnesota before moving in 2001 to the Pharmaceutical Chemistry Department at the University of Kansas, and finally to the Pharmaceutical Sciences Department at the University of Kentucky in 2010. His research program is focused on the characterization of pharmaceutical solids using a variety of analytical techniques, with an emphasis on solid-state NMR spectroscopy. Dr. Munson is a coinventor on two patents and has published more than 100 research, review, and book chapters.
